

# MKA

Michael Kennedy Associates

A photograph of the Clifton Suspension Bridge in Bristol, England, spanning a deep gorge. The bridge is a suspension bridge with two large stone towers. The sky is filled with numerous hot air balloons of various colors and designs. The foreground shows the bridge's walkway and railings, with people walking across. The background is a lush green forest.

PROFESSIONAL AND PERSONALISED  
EVALUATION OF  
**INSURANCE CLAIMS**

## INSURANCE CLAIM EVALUATION

When a customer makes an insurance claim, their Insurer may require a trusted partner to assist them in accurately assessing their liability.

Through our detailed, pro-active and bespoke investigations, our clients are able to accurately assess even the most complex of claims.

MKA is here to help Insurers correctly determine their liability for claims.

## WHY CHOOSE US?

We are trusted by some of the UK's best known insurance companies to provide professional and thorough evaluation of claims, whatever the size or complexity.

Michael Kennedy Associates has a wealth of experience in the evaluation and investigation of property insurance claims of all types and complexity.

Backed up with an exemplary level of customer service, our aim is to provide you with trust, confidence, and peace of mind.
